

Giving to Taralye through workplace giving is simple.....

You can sign up in three easy steps:

Step 1

Ask your Employer if they offer a Workplace Giving Program and whether you can register with Taralye. Your Human Resources Department or Pay Office should be able to give you this information.

Step 2

Ask your Human Resources Department or Pay Office for a workplace giving form that will give your employer authority to deduct a set amount from your pay and nominate Taralye.

Step 3

Complete the workplace giving form and hand it back to your Human Resources Department or Pay Office. Ask them to contact Taralye to confirm the commencement of your workplace giving donation.

If your Employer does not have a Workplace Giving Program, contact Taralye and we will be happy to let them know how simple it can be.
